CLASSIFICATION: UNCLASSIFIED

Dear Michael:

The CIA Publications Review Board has received your manuscript for prepublication review. We will notify you of the Board's decision as soon as the review is completed.

We make every effort to complete our reviews as quickly as possible and attempt to meet reasonable deadlines. Reviews usually take 30 days or fewer, but will likely take considerably longer if the manuscript is lengthy, if issues presented are complex, or if the manuscript must be referred to another U.S. Government entity or entities (e.g., NSA, NSC, NGA, NRO, DIA, DoD, DoE, ODNI, etc.), due to equities involved. Books are taking many months to complete.

Morning,

Attached are a handful of final changes to the paperback version of my book. You will remember that you previously approved an introduction to the paperback version and several changes in the text. Below, in track change mode in the first attachment, are a few changes to that introduction. And below, in the second attachment, are very minor changes to the rest of the manuscript. Thanks.
